

## Attention Job Seekers:

- Do you feel isolated in your job search? Are you interested in getting connected with others in your area who are in the same situation you are?
- Would you like an opportunity to make new contacts and expand your network?
- Would you like to have an opportunity to exchange job search information and strategies with your fellow job seekers?
- Are you in need of support, encouragement, ideas or advice for your job search?

**If you answered "yes" to any of the questions above, then joining the *Job Seekers Networking Group* would be an excellent opportunity for you!**
